TJM TYPE 16 ALLOY HIGH LOOP TOYOTA KLUGER

TJM have released their New Type 16 Polished Alloy Grille Guard for the Toyota Kluger. The thick aluminium tube is highly polished with strong welds and features a stylish faceplate designed specifically for the Kluger.

The TJM Type 16 Alloy Grille Guard is a great looking accessory that protects the front of your vehicle from minor bumps and scrapes.

FEATURES & BENEFITS

- High grade aluminium.
- 76mm highly polished tube.
- Driving light mounts (Looks great with Britax Xray Vision).
- Airbag compatible and does not void your new vehicle warranty.
- Specially designed faceplate.
- Adds value to the vehicle.
